Arkansas Board of Licensure for Professional Engineers and Professional Surveyors

Comity Information for Professional Surveyors

Pursuant to A.C.A. § 17-48-203(b)(1) and Article 8.E.2.b. of the Board’s Rules, an applicant for comity licensure must have met this State’s requirements for original licensure in effect at the time the applicant was originally licensed. Following is a summary of the requirements from prior rules. The full text of the requirements can be viewed on the Board’s website at www.arkansas.gov/pels.

If you were originally licensed
