

ADVANTAGES TO UTILIZING PELS FOR ALL YOUR LICENSING NEEDS:

Creating a unique UserName and Password for PELS provides the ability to:

Access your own licensing information (e.g. exam(s) & license date). Applying to another Board for a license? Simply log in and view your data;

Maintain your own contact/mailling information. Want to make sure your contact information is correct? Simply log in, view the current information and make changes as needed;

Print a License sheet with the expiration date any time day or night. If you need to provide verification of your license, PELS is open 24 hours a day, 7 days a week;

Print a receipt. PELS stores your receipts which are accessible for printing and or reimbursement purposes; and

Renew online. Renewals processed and paid through PELS provide immediate confirmation of renewal and your expiration date in the Online Roster is updated within 24 hours. You will only be charged for the cost of the renewal fee, there is no transaction fee. No more postage fees or time spent waiting for the forms and your payment to be processed.
