BEFORE THE ARKANSAS BOARD OF REGISTRATION FOR PROFESSIONAL ENGINEERS AND LAND SURVEYORS

IN THE MATTER OF ROBERT D. FRENCH, P.L.S. #1363 D/B/A CENTRAL ARKANSAS PROFESSIONAL SURVEYING

CONSENT AGREEMENT

A complaint charging Robert D. French, PLS #1363 (hereinafter "Respondent"), with violations of the statute governing registered Land Surveyors in the State of Arkansas and the statute governing the practice of engineering, Ark. Code Ann. §17-48-101 et. seq.; and Ark. Code Ann. §17-30-101 et. seq., has been received by the Arkansas Board of Registration for Professional Engineers and Land Surveyors (hereinafter "the Board"). In the interest of a prompt and speedy settlement of the above-captioned matter, consistent with the public interest, statutory requirements and the responsibilities of the Board, the undersigned parties enter into this Consent Agreement as a final disposition of matters presently before the Board.

Based upon the evidence before it, the Board makes the following Findings of Fact and Conclusions of Law:

1. Respondent is a licensed professional land surveyor in the state of Arkansas.
2. Respondent is not now, nor has ever been at any time relevant hereto, been granted a Certificate of Authorization to offer professional engineering services in the state of Arkansas. Nor does it have an owner, officer or an employee who is a licensed professional engineer in Arkansas.
3. On or about January 17, 2002, Respondent prepared or caused to be prepared a set of plans for the Brownstone Subdivision, City of Conway, Arkansas, Phase 2, which contained seven (7) drawings, each of which displayed engineering work (see attachment “A” for the Title Block of sheet 1/7). Said drawings were provided to the City of Conway for approval. The drawings contain several instances of engineering work without the review and seal of an engineer registered by the Board. This conduct constitutes seven (7) violations of the statutory prohibition against practicing engineering without a license as described in Ark. Code Ann. §17-30-301 and as defined by Ark. Code Ann. §17-30-101(4)(A), (4)(B)(i), (ii) and (iv) and one violation of §17-30-303 (prohibits the practice of or offer to practice for
others, as defined in Ark. Code Ann. §17-30-101, by individuals through a corporation as officers, employees, or agents without the requisite certificate of authorization). Further, sheet 1/7, "Lot Plan" was not sealed or signed by the Respondent which constitutes one (1) violation of Ark. Code Ann. §17-48-105.

4. On or about April 25, 2002, Respondent prepared or caused to be prepared a set of plans for the Club Creek Subdivision, City of Conway, Arkansas, which contained ten (10) drawings, each of which displayed engineering work (see attachment "B" for the Title Block of sheet 1/10). Said drawings were provided to the City of Conway for approval. The drawings contain several instances of engineering work without the review and seal of an engineer registered by the Board with the exception of sheet 2/10 which is sealed and signed by David E. Hopkins, P.E. #10435. This conduct constitutes nine (9) violations of the statutory prohibition against practicing engineering without a license as described in Ark. Code Ann. §17-30-301 and as defined by Ark. Code Ann. §17-30-101(4)(A), (4)(B)(i), (ii) and (iv) and one violation of §17-30-303 (prohibits the practice of or offer to practice for others, as defined in Ark. Code Ann. §17-30-101, by individuals through a corporation as officers, employees, or agents without the requisite certificate of authorization).

5. On or about May 31, 2002, Respondent prepared or caused to be prepared a set of plans for The Grove at Centennial Subdivision, City of Conway, Arkansas, which contained five (5) drawings, each of which displayed engineering work (see attachment "C" for the Title Block of sheet 1/5). Said drawings were provided to the City of Conway for approval. The drawings contain several instances of engineering work without the review and seal of an engineer registered by the Board. This conduct constitutes five (5) violations of the statutory prohibition against practicing engineering without a license as described in Ark. Code Ann. §17-30-301 and as defined by Ark. Code Ann. §17-30-101(4)(A), (4)(B)(i), (ii) and (iv) and one violation of §17-30-303 (prohibits the practice of or offer to practice for others, as defined in Ark. Code Ann. §17-30-101, by individuals through a corporation as officers, employees, or agents without the requisite certificate of authorization). Further, sheet 1/5, "Lot Plan" was not sealed or signed by the Respondent which constitutes one (1) violation of Ark. Code Ann. §17-48-105.
6. On or about June 18, 2003, Respondent prepared or caused to be prepared a set of plans for Hudson Cove Subdivision, City of Conway, Arkansas, which contained six (6) drawings, each of which displayed engineering work (see attachment “D” for the Title Block of sheet 1/6). Said drawings were provided to the City of Conway for approval. The drawings contain several instances of engineering work without the review and seal of an engineer registered by the Board. This conduct constitutes five (5) violations of the statutory prohibition against practicing engineering without a license as described in Ark. Code Ann. §17-30-301 and as defined by Ark. Code Ann. §17-30-101(4)(A), (4)(B)(i), (ii) and (iv) and one violation of §17-30-303 (prohibits the practice of or offer to practice for others, as defined in Ark. Code Ann. §17-30-101, by individuals through a corporation as officers, employees, or agents without the requisite certificate of authorization). Further, sheet 1/6, “Lot Plan” was not sealed or signed by the Respondent which constitutes one (1) violation of Ark. Code Ann. §17-48-105.

7. On or about August 26, 2003, Respondent prepared or caused to be prepared a set of plans for Bristol Cove Subdivision, City of Conway, Arkansas, which contained four (4) drawings, each of which displayed engineering work (see attachment “E” for the Title Block of sheet 1/4). Said drawings were provided to the City of Conway for approval. The drawings contain several instances of engineering work without the review and seal of an engineer registered by the Board with the exception of sheet 2/4 which is sealed and signed by Peyton C. Lasiter, P.E. #7169. This conduct constitutes three (3) violations of the statutory prohibition against practicing engineering without a license as described in Ark. Code Ann. §17-30-301 and as defined by Ark. Code Ann. §17-30-101(4)(A), (4)(B)(i), (ii) and (iv) and one violation of §17-30-303 (prohibits the practice of or offer to practice for others, as defined in Ark. Code Ann. §17-30-101, by individuals through a corporation as officers, employees, or agents without the requisite certificate of authorization).

CONCLUSIONS OF LAW
