Case #2010-23

DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") registered a complaint on August 20, 2010, charging Robert D. French (AR-PS #1363, hereinafter "French") with negligence and/or incompetence in the practice of surveying, in violation of Arkansas Code Annotated §17-48-102(b)(1)(A)(2).

FINDINGS OF FACT

1. French is a Professional Surveyor licensee of the Board, and the Board has jurisdiction over his conduct;
2. In 2004 French conducted a survey for a parcel of land owned by Rick McCoy (McCoy) and set monuments;
3. Later, Travis West (West) attempted to purchase a parcel of land north of and adjacent to the parcel owned by McCoy;
4. According to West, the purchase was delayed because a title search found that the boundary set during the French survey encroached onto the parcel to be purchased by West;

5. West hired another surveyor to conduct a survey of his property, and because the results of that survey differed from the French survey, West filed a complaint against French alleging negligence and/or incompetence;

6. Upon investigation, the Board found no evidence of negligence or misconduct by French.

CONCLUSIONS OF LAW

Upon review of the evidence in its possession, the Board finds the conduct by French described in the Findings of Fact does not warrant further investigation or other action.

ORDER

Based on these Findings and Conclusions, the complaint against French is dismissed.

SO ORDERED BY THE BOARD this 10th day of May, 2011

Steve W. Haralson, Executive Director
Arkansas Board of Licensure for Professional
Engineers and Professional Surveyors

APPEALS

This Order may be appealed within thirty (30) days of service upon the Respondent, as specified in the Arkansas Administrative Procedures Act, according to the provisions of Arkansas Code Annotated §25-15-212.
