DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional Surveyors (hereinafter "the Board") registered a complaint on August 20, 2010, charging Raymond Hickey (AR-PS #903, hereinafter "Hickey") with negligence and/or incompetence in the practice of surveying, in violation of Arkansas Code Annotated §17-48-102(b)(1)(A)(2).

FINDINGS OF FACT

1. Hickey is a Professional Surveyor licensee of the Board, and the Board has jurisdiction over his conduct.
2. Hickey was retained to survey and set monuments where necessary for land owned by the Lakeview Country Club (Club).
3. Gary Wimberly holds a parcel of land adjoining the Club and he brought a complaint against Hickey for negligence and/or incompetence because he believed that Hickey improperly set a boundary corner between his land and the Club.
4. Upon investigation, the Board found no evidence of negligence or misconduct by Hickey.

CONCLUSIONS OF LAW

Upon review of the evidence in its possession, the Board finds the conduct by Hickey described in the Findings of Fact does not warrant further investigation or other action.

ORDER

Based on these Findings and Conclusions, the complaint against Hickey is dismissed.

SO ORDERED BY THE BOARD this 10th day of May, 2011

Steve W. Haralson, Executive Director
Arkansas Board of Licensure for Professional
Engineers and Professional Surveyors

APPEALS

This Order may be appealed within thirty (30) days of service upon the Respondent, as specified in the Arkansas Administrative Procedures Act, according to the provisions of Arkansas Code Annotated §25-15-212.
