

**BEFORE THE ARKANSAS BOARD OF REGISTRATION FOR
PROFESSIONAL ENGINEERS AND LAND SURVEYORS**

IN THE MATTER OF CLAUDE R. SUMERS, PS #1103

CONSENT AGREEMENT

A complaint charging Claude R. Summers, PS #1103 (hereinafter "Respondent"), with violations of the statute governing registered Professional Surveyors in the State of Arkansas has been received and a subsequent Order and Notice of Hearing dated December 15, 2005, was issued by the Arkansas Board of Registration for Professional Engineers and Land Surveyors (hereinafter "the Board"). In the interest of a prompt and speedy settlement of the above-captioned matter, consistent with the public interest, statutory requirements and the responsibilities of the Board, the undersigned parties enter into this Consent Agreement as a final disposition of matters presently before the Board.

Based upon the evidence before it, the Board makes the following Findings of Fact and Conclusions of Law:

1. Respondent is a licensed surveyor in the State of Arkansas.
2. The Arkansas Minimum Standards for Property Boundary Surveys and Plats Standards of Practice No. 1, Revised March 14, 1996, (hereafter "Minimum Standards") provide for the protection of the public by requiring certain actions on the part of a surveyor and violation of those standards constitutes a violation of the provisions of A.C.A. Section 17-48-101, *et seq.*
3. On two (2) separate occasions set out in the Order and Notice, Respondent provided service as a licensed surveyor to members of the public that resulted in production of the plats attached as attachments to the Order and Notice of Hearing in this matter. Said plats contained a substantial number of violations of the Minimum Standards.

4. Respondent has, in correspondence before the Board, admitted the above-noted violations of the Minimum Standards.

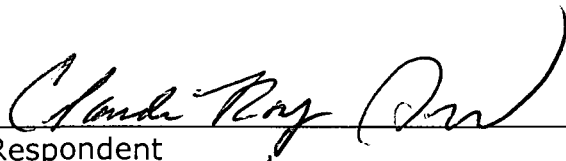

CONCLUSIONS OF LAW

The actions cited in the Findings of Fact constitute the violation of Arkansas Board of Registration for Professional Engineers and Land Surveyors Rules, Article 16.A, A.C.A. Section 17-48-101, *et seq.*, and the Arkansas Minimum Standards.

III. Consent

1. Respondent admits the allegations contained in the Board's Findings of Fact and Conclusions of Law.
2. In lieu of a formal hearing on these issues, Respondent agrees to issuance of the attached Order and waives all rights to a hearing, appeal or judicial review relating to the Order.
3. Respondent understands that all investigative materials prepared or received by the Board concerning these violations and all notices and pleadings relating thereto may be retained in the Board's file concerning these matters.
4. Respondent understands that those admissions are conclusive evidence of a prior violation of the rules and regulations governing registered land surveyors in the State and may be used for purposes of determining sanctions in any future disciplinary matter.

5. Respondent understands that this Consent Agreement was accepted by the Board on January 10, 2006, and is effective upon signatures of the proper parties to this Agreement.
