DISMISSAL ORDER

The Arkansas Board of Licensure for Professional Engineers and Professional
Surveyors (hereinafter "the Board") registered a complaint on June 22, 2010, charging
Thomas M. Vossmeyer (AR-PE #9346, hereinafter "Vossmeyer") with violation of Arkansas
Code Annotated §17-30-305(a)(5) (discipline by another jurisdiction where the grounds for
discipline were the same as, or substantially equivalent to, those in Arkansas).

FINDINGS OF FACT

1. Vossmeyer is a Professional Engineer licensee of the Board, and the Board has
   jurisdiction over his conduct.

2. Vossmeyer notified the Board on June 22, 2010 that he had been disciplined by the
   Oklahoma Board.

3. At the time of the violation, Vossmeyer held Professional Engineer licensure in
   Oklahoma.

4. Vossmeyer was charged with, and admitted violation to, aiding and assisting his
   firm, International Engineering Services, LLC, with offering engineering services in
   Oklahoma without a Certificate of Authorization.
CONCLUSIONS OF LAW

Arkansas Code Annotated §17-30-305(a)(5) provides that the Board may discipline licensees for conduct in another jurisdiction which would also be a violation in Arkansas, but does not require it to do so.

Upon review of the evidence in its possession, the Board finds the conduct by Vossmeyer described in the Findings of Fact does not warrant further investigation or other action.

ORDER

Based on these Findings and Conclusions, the complaint against Vossmeyer is dismissed.
